MSH STUDENT REFERRAL PROGRAM

MSH recognizes that our families are the best recruitment tool that we have. To show our support for your recruitment efforts, you can receive a tuition reduction of \$100 for referring a student or family who enrolls at MSH.

Tuition reductions are not made until a referred student has paid their application fee and one month's tuition.

You cannot refer a member of your own family.

You cannot refer a student who has siblings at MSH.

It is the referring family's responsibility to submit the Referral Form prior to the prospective family's enrollment. Referrals will not be made retroactively.

The tuition reduction applies only to the cost of tuition (no cash rebates.)

Two families may split the tuition reduction if both contributed to a successful referral.

A tuition reduction can be given for a student re-enrolling at MSH after an absence of 2 or more years.

There is no limit to the number of students a family can refer, but tuition reductions will be limited to the full tuition of the referring family for one academic year.
